

1. The paper must be submitted in .doc format
2. The images must be of high resolution at least 300 dpi.
3. While sharing the manuscript please ensure you create separate folders for papers and name them accordingly.
4. Within each folder there should be concerned paper along with signed copyright form, plagiarism scan report and review reports.
5. It is recommended that all the citations be in author style.
6. The tables must not be in image format.
7. Please ensure for all the figures and equations citations and sources are provided.
8. For original work, please leave a remark that this is an original work.
9. Please ensure that plagiarism ratio should not exceed 10 %. In case it is above 10 % please share the remarks for higher plagiarism ratio and try to keep it below 15 %. Please note that this is an exception and should not be treated as norm.
10. All the corrections, regarding author's name, affiliation, designation, content, and other technical information should be shared by first proof failing which no further corrections will be made.
10. Lead editors are requested to cross check each and everything regarding author's name and their affiliations, along with Lead editors' details, and share the correct information while submitting the manuscript or during first proof cycle in inventory sheet. Please ensure that corrections are not communicated in mail body or should be done by first proof cycle. This is to ensure smooth and quick publication process.
11. Please share the final files via we transfer link. [WeTransfer - Send Large Files & Share Photos Online - Up to 2GB Free](#)
